MY COMMISSION EXPIRES 5/11/96

PUBLIC NOTICE

On April 7, 1993, the Federal Communications Commission, Washington, D.C., designated for hearing the applications of Adam D. Gearheart and Robert G. Picklesimer, each for a construction permit for a new FM broadcast station to operate on Channel 285A at Harold, Kentucky.

The issues to be heard are as follows:

(1) To determine which of the proposals would, on a comparative basis, better serve the public interest.

(10) To determine, in light of the evidence adduced pursuant to the specified issues, which of the applications should be granted, if any.

A prehearing is scheduled to be held before Administrative Law Judge Joseph Stirmer on June 8, 1993, commencing at 9:00 a.m., at the offices of the Federal Communications Commission, 2000 L Street, N.W., Washington, D.C. The hearing is scheduled for August 24, 1993, commencing at 10:00 a.m.

A copy of the application of Adam D. Gearheart and all related materials is on file and available for public inspection, Monday through Friday, during normal business hours at the offices of Tel-Com, Inc., U.S. Hwy. 23, Harold, Kentucky (41635).

CERTIFICATE OF SERVICE

I, Traci Maust, a secretary in the law office of Lauren A. Colby, do hereby certify that copies of the foregoing have been sent via first class, U.S. mail, postage prepaid, this 2nd day of May, 1993 to the offices of the following:
